

**Join our Archaeological Dig,  
Eat and Sing!**

at

West Northwood Farm, St. Neot

Led by County Archaeologist Dr Andy Jones, a professional team will be excavating probable Bronze Age round houses adjacent to the scheduled monument at West Northwood Farm, St. Neot. Following a successful HLF bid by the St Neot Local Historians, there are opportunities for members to be trained in archaeological techniques. If you would like to volunteer to be part of this exciting project on what is described as 'a unique site', please contact project leader Martin Eddy, or site owners Nick and Jenny Hart.

Dig dates: 26 June to 8 July, weekdays. You should be prepared to commit to at least 5 days during this 10 day dig.

Open Day: Saturday July 8th, from 10.30 a.m. with workshops and demonstrations of all things Bronze Age. The day will culminate with music inspired by the event.
